Each candidate must state in his application the college to which he seeks admission and also give the name of an alternative institution which he would prefer to join in case admission cannot be given in the first institution selected.

GIRLS WILL BE ADMITTED TO THE INTERMEDIATE COLLEGES AT SHIMOGA AND TUMKUR, IF THEY HAVE PASSED THE S. S. L. C. EXAMINATION FROM ONE OF THE HIGH SCHOOLS IN THE DISTRICT (SHIMOGA OR TUMKUR), OR IF THEIR PARENTS OR GUARDIANS RESIDE AT SHIMOGA OR TUMKUR RESPECTIVELY.

Forms of application may be obtained from—

1. The Registrar, University of Mysore, Mysore.
2. The Superintendent, Intermediate College, Bangalore.
3. The Superintendent, Intermediate College, Mysore.

The application for admission must be accompanied by the leaving and other certificates and a certified statement of marks obtained at the S. S. L. C. Examination, showing the year in which it was passed. A candidate coming from another University must produce also a migration certificate.

Applications received after the prescribed date, that is, the 25th May 1940, may be considered if there are vacancies. The selection will be notified about the 1st June 1940.

Notification No. 27329 *dated the* 14*th May* 1940.

The next session of the School of Engineering will commence on the 1st June 1940. The school will admit students for the diploma Course in Civil, Mechanical or Electrical Engineering, and for the Certificate Course in Mechanical or Electrical Engineering.

Diploma Courses.

The courses of study for the Diploma in Civil, Mechanical and Electrical Engineering shall each extend over three years, followed by a year's practical training.

The qualification for admission to the course shall be a pass in the S.S.L.C. Examination (E.C.) with mensuration, surveying and workshop practice for Civil Engineering, and corresponding subject of Group C for Mechanical and Electrical Engineering. A candidate who has passed the S.S.L.C Examination in Group B, (E.C.) shall be eligible for admission, subject to the condition that one admitted to the Civil Engineering Course shall undergo a course in surveying during the first year and in workshop practice during the vacation at the end of the first year; a candidate admitted to the Mechanical and Electrical Engineering Course shall undergo a course in one of the workshops during the vacation at the end of the first year according to the prescribed course.

The tuition fee for the course shall be Rs. 60 per year for Mysoreans and Rs. 120 per year for non-Mysoreans, payable in four equal instalments. The fee for admission to the course shall be Rs. 5 which should be remitted with the application for admission.

Certificate Course.

The course of study for the certificate in Mechanical or Electrical Engineering shall extend over two and a half years.

The qualification for admission to the course shall be a pass in the S.S.L.C. Examination (E.P.S.). There shall be only one course in Electrical Engineering. The course in Mechanical Engineering shall consist of a main subject and a subsidiary subject from among the following:—

Main.	*Subsidiary.*
1. Machine shop	Fitter
2. Fitting and Plumbing	Smithy
3. Carpentry and pattern making	Fitter
4. Foundry	Pattern making
5. Smithy	Fitting
6. Power Plant and Pumps	Fitting
7. Electric Wiring	Carpentry and Fitter

A candidate for a Certificate in Mechanical Engineering in groups 1 to 6 shall, in addition, be required to attend classes in sketching, workshop practice, descriptive engineering and estimating; those taking group 7 shall attend classes in sketching, electric wiring and estimating.

The tuition fee for the course shall be Rs. 45 per year for Mysoreans and Rs. 100 for non-Mysoreans, payable in four equal instalments. The fee for admission to the course shall be Rs. 2 which should be remitted with the application for admission.

General.

Candidates for admission shall be not less than 16 years of age or more than 21 years in the month of June in the year of admission, the upper limit in the case of backward community and depressed class students being 22.

The maximum number of students to be admitted shall be 75 for the Diploma Course and 75 for the Certificate Course.

Every student on admission will have to pay a security deposit of Rs. 10 in respect of Mysoreans and Rs. 15 in respect of others. Sports and association fees shall be Rs. 5. The medical examination fee of one rupee shall be paid by the first and third year students.

Application must be in the candidate's own handwriting, accompained by the prescribed registration fee of Rs. 5 for Diploma Course and Rs. 2 for Certificate Course and sent so that they may reach the Superintendent, School of Engineering, Bangalore, on or before the 25th May 1940 with the following certificates: –

1. Transfer certificate.
2. Certificate of age.
3. Certified copy of marks at the S.S.L.C. Examination in respect of applicants for the Diploma Course and marks obtained in the II year of High School in respect of applicants for the Certificate Course.
4. Certificate from a person of known respectability that the applicant is a native of Mysore by birth or by domicile.

5. Certificate of physical fitness form a medical officer not lower in rank than an Assistant Surgeon or a registered Medical Graduate.
6. A statement from the parent (if parent is not alive, from the guardian) that the applicant has sufficient means to prosecute his studies.
7. An undertaking by the applicant attested by the parent (or guardian if parent is not alive) that he will not leave the school before completing the course.

The admission fee may be paid either in cash or remitted by money order, or paid into a Mysore Government Treasury for credit to the Mysore University Funds and the treasury receipt enclosed.

Applications defective in any respect will not be considered.

Names of candidates selected for admission will be notified about the 1st June 1940. A selected candidate not joining on the 3rd June 1940 will forfeit his seat.

Forms of application may be obtained on requisition from the Superintendent, School of Engineering, Bangalore.

Notification No. 19921, *dated 3rd February* 1940.

A Draughtsman's Class will be opened in the School of Engineering, from June 1940. Applications are invited from students who have successfully undergone the first two years' course in Civil Engineering in the School. The strength of the class will be limited to ten. In the selection of candidates for admission, preference will be given to those who have shown special aptitude for drawing. Candidates should submit their applications on or before the 31st May 1940, to the Superintendent, School of Engineering, Bangalore, in the appended form.

By Order,
V. GOPALASWAMI AIENGAR,
Registrar.
